Update on adolescent drug treatment and healing center scheduled for June 27 meeting Results of draft feasibility study to be presented

LĪHU'E – The public is invited to attend a meeting regarding an update on the adolescent drug treatment and healing center and to provide their input.

The meeting will be held on Thursday, June 27, from 6 to 8 p.m. at the Līhu'e Neighborhood Center.

The county's consultant Families First Hawai'i Services Inc. will present the results of a draft feasibility study on the center, answer questions and take comments.

County officials will also be on hand to answer questions and discuss the next step in the planning process.

Mayor Bernard Carvalho, Jr. encourages residents to attend the meeting to find out the latest on the project.

"I invite everyone in our community to be part of this important discussion for the sake of our young people," said the mayor. "There's a critical need for an adolescent drug treatment and healing center on Kaua'i, and I hope that we can keep this focus and move forward."
